

## ABOUT THE INDEX TO RECORDED BURIALS AT CEMETERIES IN SUNAPEE

- Alphabetically combines recorded burials for all 8 of Sunapee's cemeteries.
- Primarily derived from the work of Karl R. Jonas, who compiled a burial listing by name for each cemetery.
- Mr. Jonas' work includes photographs of headstones, headstone inscriptions and grave locations for burials through 2006.
- Town reports from 2007 through 2014 have been used for this index. Information is current as of December 31, 2014.
- This index provides death or interment date, age at death and date of birth when indicated at the grave.
