

SUNAPEE HISTORICAL SOCIETY

SUNAPEE · NEW HAMPSHIRE

House Date Plaque Order Form

As a new fundraiser, we are offering plaques defining the year your house was built. They are glazed and fired ceramic with brass screws and rubber washers, ready to mount on your house. The oval House Date Plaques are approximately 9” wide by 7” high and priced at \$65 each.

Researchers at Sunapee Historical Society can provide the year and historical provenance for older structures in Sunapee and Georges Mills, or add the approximate year and letter “c” for circa.

For newer properties, the owner provides the building’s completion year. Samples can be seen at the Sunapee Archives (the Old Abbott Library).

Note: These would make a great gift for any home, here or there.

Plaque Choices

Check your color choice and provide the building’s completion year.

_____ Burgundy Red w/white text	_____ Light Stone w/navy text	_____ White w/black text
---------------------------------	-------------------------------	--------------------------

Provide the completion year _____ or request SHS assistance to research
@ (603) 763-9872 or sunapeehistory@gmail.com.
